

***STEPS TO CREATE AZURE ACCOUNT(FREE ACCOUNT)**

1. Go to <https://portal.azure.com/>.
2. Click on **CREATE ONE** and create your account.

The image shows the Microsoft Azure sign-in page. At the top, it says "Microsoft Azure". Below that is the Microsoft logo and the text "Sign in to continue to Microsoft Azure". There is a text input field for "Email, phone, or Skype". Below the input field, there is a link "No account? Create one!" with a blue arrow pointing to it from the right. Below that is a link "Can't access your account?". At the bottom of the sign-in section are two buttons: "Back" and "Next". Below the sign-in section are two more options: "Sign in with GitHub" with a GitHub logo and "Sign-in options" with a key icon.
